**Step Four:** Made a searching and fearless moral inventory of ourselves.

**THE AA TRADITION**

To those in its fold, Alcoholics Anonymous has made the difference between misery and sobriety, and often the difference between life and death. AA can, of course, mean just as much to uncounted alcoholics not yet reached.

Therefore, no society of men and women ever had a more urgent need for continuous effectiveness and permanent unity. We alcoholics see that we must work together and hang together; else, most of us will finally die alone.

The “12 Traditions” of Alcoholics Anonymous are, we believe, the best answer that our experience has yet given to those ever-urgent questions, “How will AA best function?” and, “How can AA best stay whole and so survive?”

**Four**—Each group should be autonomous except in matters affecting other groups or A.A as a whole.

I am responsible-  
When anyone, anywhere reaches out for help,  
I want the hand of AA always to be there,  
And for that: I am responsible
