"On his desk, Dr. Bob had a plaque defining humility: 'Perpetual quietness of heart. It is to have no trouble. It is ever to be fretted or vexed, irritable or sore; to wonder at nothing that is done to me, to feel nothing done against me. It is to be at rest when nobody praises me, and when I am blamed or despised, it is to have a blessed home in myself where I can go in and shut the door and kneel to my Father in secret and be at peace, as in a deep sea of calmness, when all around and about is seeming trouble.'"

**Step Two:** We came to believe that a Power greater than ourselves could restore us to sanity.

THE AA TRADITION

To those in its fold, Alcoholics Anonymous has made the difference between misery and sobriety, and often the difference between life and death. AA can, of course, mean just as much to uncounted alcoholics not yet reached.

Therefore, no society of men and women ever had a more urgent *need* for continuous effectiveness and permanent unity. We alcoholics see that we must work together and hang together; else, most of us will finally die alone.

The “12 Traditions” of Alcoholics Anonymous are, we believe, the best answer that our experience has yet given to those ever-urgent questions, “How will AA best function?” and, “How can AA best stay whole and so survive?”

**Two**—For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
