HAPPY NEW YEAR!

Step One: We admitted we were powerless over alcohol—that our lives had become unmanageable.

THE AA TRADITION

To those in it's fold, Alcoholics Anonymous has made the difference between misery and sobriety, and often the difference between life and death. AA can, of course, mean just as much to uncounted alcoholics not yet reached.

Therefore, no society of men and women ever had a more urgent *need* for continuous effectiveness and permanent unity. We alcoholics see that we must work together and hang together; else, most of us will finally die alone.

The "12 Traditions" of Alcoholics Anonymous are, we believe, the best answer that our experience has yet given to those ever-urgent questions, "How will AA best function?" and, "How can AA best stay whole and so survive?"

ONE—Our common welfare should come first; personal recovery depends upon AA unity.

I am responsible-
When anyone, anywhere reaches out for help,
I want the hand of AA always to be there,
And for that: I am responsible
