**"They made it plain that if he actually wanted to stop drinking, they would leave their work or get up in the middle of the night to hurry to where he was. If he did not choose to call, that would be the end of it. The members of Alcoholics Anonymous do not pursue or coddle a malingering prospect, and they know the strange tricks of the alcoholic as a reformed swindler knows the art of bamboozling.."**

**Step Seven:** Humbly asked Him to remove our shortcomings.

### THE AA TRADITION

To those in its fold, Alcoholics Anonymous has made the difference between misery and sobriety, and often the difference between life and death. AA can, of course, mean just as much to uncounted alcoholics not yet reached.

Therefore, no society of men and women ever had a more urgent *need* for continuous effectiveness and permanent unity. We alcoholics see that we must work together and hang together; else, most of us will finally die alone.

The “12 Traditions” of Alcoholics Anonymous are, we believe, the best answer that our experience has yet given to those ever-urgent questions, “How will AA best function?” and, “How can AA best stay whole and so survive?”

**Seven-Every A.A. group ought to be fully self-supporting, declining outside contributions**
