Now we go out to our fellows and repair the damage done in the past. We attempt to sweep away the debris which has accumulated out of our effort to live on self will and run the show ourselves. If we haven't the will to do this, we ask until it comes. Remember it was agreed in the beginning we would go to any lengths for victory over alcohol.

Step Nine: Made direct amends to such people wherever possible, except when to do so would injure them or others.

THE AA TRADITION

To those in its fold, Alcoholics Anonymous has made the difference between misery and sobriety, and often the difference between life and death. AA can, of course, mean just as much to uncounted alcoholics not yet reached.

Therefore, no society of men and women ever had a more urgent *need* for continuous effectiveness and permanent unity. We alcoholics see that we must work together and hang together; else, most of us will finally die alone.

The “12 Traditions” of Alcoholics Anonymous are, we believe, the best answer that our experience has yet given to those ever-urgent questions, “How will AA best function?” and, “How can AA best stay whole and so survive?”

Nine—A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.

I am responsible-
When anyone, anywhere reaches out for help,
I want the hand of AA always to be there,
And for that: I am responsible
