So our troubles, we think, are basically of our own making. They arise out of ourselves, and the alcoholic is an extreme example of self-will run riot. though he usually doesn't think so. Above everything, we alcoholics must be rid of this selfishness. We must, or it kills us! God makes that possible.

Step Three: Made a decision to turn our will and our lives over to the care of God *as we understood Him.*

THE AA TRADITION

To those in its fold, Alcoholics Anonymous has made the difference between misery and sobriety, and often the difference between life and death. AA can, of course, mean just as much to uncounted alcoholics not yet reached. Therefore, no society of men and women ever had a more urgent need for continuous effectiveness and permanent unity. We alcoholics see that we must work together and hang together; else, most of us will finally die alone. The “12 Traditions” of Alcoholics Anonymous are, we believe, the best answer that our experience has yet given to those ever-urgent questions, “How will AA best function?” and, “How can AA best stay whole and so survive?”

Three—The only requirement for AA membership is a desire to stop drinking.

I am responsible-
When anyone, anywhere reaches out for help,
I want the hand of AA always to be there,
And for that: I am responsible
